

OSA-2919-63
17 June 1963

MEMORANDUM FOR: Chief, Engineering and Analysis Division, OSA

SUBJECT : Status Report

REFERENCE : Memo to C/PS/OSA from C/EAD/OSA, etc
11 Mar 63, Subject: List of EAD Activities
(OSA 1353-63)

1. Now that the annual budget exercise is over and we have a fairly firm grasp of the financial aspects of EAD, we feel it is necessary to turn our attention to equipment status. Therefore, in order to complete the EAD "package", the Programs Staff requests that the referenced memorandum be brought up to date as of 15 June 1963. This should include testing completed, currently underway and anticipated; projected operational readiness of equipment and research progress.

2. This office would appreciate notification of any changes to the report requested in paragraph 1, as they occur.
